True Face of Mary Most Holy
Our Lady of Guadalupe
Queen of the Universe

Sacred Heart of Jesus and Sacred Heart of Mary

**« O Sacred Heart of Jesus...
O Sacred Heart of Mary
Please join us in this prayer of love
so that every child of this World
demonstrates love for the You Two
that United and Together have Redeemed World.
May the passion that the world will live now
serve to mitigate the Wrath of God the Father...
who upon receiving all that pain in offering
be moved also towards the destroying children.
Yes... because they too are loved by God the Father
who wants everyone to be saved and to repent
to honour the United Sacred Hearts of Mary and Jesus. »**

Amen.

**I love you Jesus...
I love you My Infinite Love.
My heart is united to Your Heart
but my heart no longer has its shape.
It is a flame that burns and enlightens me
through which light I only see Thee.
My heart is a flame
that allows to be consumed by Your Flame
that burns infinite within My Essence without time
that was created to love You and to serve You for Eternity.
Amen.**

" The obfuscated minds of men
give way to the « enemy » of God
which continues to cause so much pain.
Conchiglia...
My Heart is pierced by the insults they make at Me.
I Jesus... Who from the Trinity speaks to you
I want you to know that because of you...
I have not finished yet to suffer.
How many nails... how many thorns...
and the lashes... do not even talk.
And if it were for the world...
It would put Me back to die on the Cross.
Is it possible that you might not retain a part of your heart
for your God of Love?
Is it possible that you have not heard the moans
of who suffers because of unwise men?
I see no glimmers open to Me
so I can flood those hearts with Love.
Be vigilant... because everything is getting out of hand.
Satan is using you... showing you the victory...
instead it uses your gullibility
to destroy everything... and then those who helped him.
Do not trust those who praise the « war for justice ».
Justice is only Mine... I will soon present the invoice.
No one can appropriate a right that is only Mine.
Conchiglia...
Please pray and make pray so that it limits damage everywhere.
Jump-start a novena
to the Sacred Heart of Jesus and the Sacred Heart of Mary
that I now dictate here.

Conchiglia... without you nothing is done
because your input is very valuable.
It is crucial for the History of the World
which will be saved in part... thanks to your prayers.
I bless you
in the Name of the Father
of the Mother

*of the Son
and of the Holy Spirit.
Amen."*
