" Through You Conchiglia...

*I want to mobilize World Christianity
for the Largest Demonstration of the World.
World Christianity will have to demonstrate...
against all injustices
against all the Laws that dampen the dignity of man
against abortion
against pedophilia
against homosexuality
against divorce
against de facto families
against euthanasia
against the war
against evil in all its forms.
In one word against the devil.*

It will be an organized event

by the Movimento d'Amore San Juan Diego

and everyone can take part without distinction... from every part of the World.

*This Demonstration is based on the Entrustment to Mary... My Holy Mother
and to the Action of God the Father through the prayer of the Rosary
which is the only effective weapon to fight the devil and his followers.*

*This Demonstration will be in honour of My Mother
remembering the beginning of the Apparitions at Fatima
and will take place on the eve of the thirteenth May
and will be repeated until the eve of the thirteenth October every month
up until the end on the eve of twelfth December*

*recalling the apparitions to Saint Juan Diego
and the Prodigious Image upon the Tilma donated to Humanity
where My Mother is known with the title of Our Lady of Guadalupe.*

Everyone... from everywhere in the world...

may come to the meeting « place » of prayer.

This « place » is your heart.

No one moves therefore.

No discomfort for you and your families.

No expense.

*With the rosary in your hand you can pray together with the children
the elderly... the sick... the prisoners... the Priests.*

Everyone is confident of victory.

Yes... because to be part of « World Affairs »

Christianity does not need to manifest in the squares as pagans do.

Christianity has a very precise task... pray.

It was Jesus who tells you.

I told you yesterday and I tell you today.

Recite the Our Father...

it is a powerful prayer against evil... have Faith.

***Today the Church continues to suffer the greatest persecution of History
and this persecution is evident throughout the World.***

The pagans who are against the Church succeeded in identifying them

But what needs to alarm you the most...

is the Prophecy made by My Mother to the little shepherds in Fatima...

*There are Bishops against Bishops and Cardinals against Cardinals.
the split in the Church is profound.
It is the Christian people who must aid and help
with prayer and with the holy example
the Priests... Bishops and Cardinals who really love God
and that really love the Church
and struggle as they can to defend it from the followers of the devil
which are inside and outside of It.
I... your Jesus of Love say to My sons and brothers...
« You are more... you are a lot more not in number but in power...
that Power that comes from God and covers you and enlightens you. »
Do not mingle...
with those who do not understand that today more than ever...
to demonstrate in the squares is counterproductive and very very dangerous.
The devil must never be provoked.
He is just waiting for you to take the provocations and make you fall
because you are too weak in your Faith to support the struggle.
Your sins make you weak and none of you is without sin.
So think before throwing any stone.
Yesterday I said this writing in the dust that the wind dispersed
today I say this by writing on paper
through this daughter My Conchiglia
and this letter will remain forever in the History of Humanity
to remind you... My Passage on Earth. "*

08 may 2007 - 06.30 - Mary Most Holy to Conchiglia

*" I Am Mother Mary Conchiglia
and I call my children to collect
in this Final Battle against the devil.
Through you daughter...
I intend to move the pure at heart
the simple... the children without age.
The sons of God use only one weapon... the Rosary.
So pray with confidence as I always taught you.
Do not be tired of praying
for the devil flees to the sound of the Hail Mary and of the Our Father.
Here Conchiglia... the vigil is over now rest. "*

*« Oh Sacred Heart of Mary
that you suffered as a Mother
Oh Sacred Heart of Mary
that you suffered as a Woman
Oh Sacred Heart of Mary
that you suffered as a Daughter
allow me to look at You...
small creature of the Earth... with no value.
Allow this nothing to look at You... this nothing that pleases You and begs You
to turn Your glance towards me and towards everyone.
Oh Most sweet Heart of Mary
allow Yourself to be caressed by my prayers as if they were small hands
which hold You to protect You from all the evil of the world.
Oh Most sweet Heart of Mary
allow me to play with You...
allow my ear to hear
that divine Heart beat through Your Son Jesus
for when You carried Him in the Womb
Your Heart beat with the little Heart of Jesus
that since then to this day... Your United Hearts...
support the World before the Eyes of the Heavenly Father.
Oh Most sweet Heart of Mary
look at us with infinite tenderness of Mother
who welcomes all of Her children
especially those furthest from Your Jesus.
Amen. »*

*Here Conchiglia...
may this prayer become a good gift for My Mother
to recite it every day.
Joyfully entrust yourself to Her Immaculate Heart
that opens itself for you all to earn the Salvation...
pray with love to the Mother
and still remember that you have to thank Her
for the Time that We have given you
so that many sons will still be saved.
The Graces we allow through Mary...
the Virgin among all virgins...
are priceless Graces to guard jealously.
So children... meditate on the honour of having such a Mother.*

Solemnity of the Blessed Virgin Mary of Carmel
in front of the Most Holy Sacrament

" I Am here my children...

I Am the Mother Mary

and I Am looking at you one by one.

I love you with the Love of Mother and with Divine Love

and now even more I will pour over you my love

for you have faith in Me.

You do well to trust Me my children...

for a Mother can not wish bad for her children.

Now I Am at your side in a special way

for on this day which is dedicated to Me

you have trusted your Soul and your life to God¹

and God always maintains the promises made.

Through my handmaid...

I Am leading you to a New Path

but this new path has in it all the riches

that the Holy Church possesses.

This your Spirituality²

will make the Carmel be known and divulged

for the holy things that are in it are being dispersed.

To live the Carmel does not necessarily mean to live in seclusion

but means to sustain even exteriorly

those who wish to donate themselves in a particular manner to God.

Your path that is new to the eyes of the world

is in reality the path to arrive quickly

towards your brethren that are in the world.

And you should know that everything that you do for My Glory

I will be with you and I will help you.

I... the Mother Mary... Virgin of the Carmel,

bless you and I keep you in my heart. "

1 Consecration with the prayer inspired by Saint Luigi Maria Grignion De Montfort

2 Spirituality of Conchiglia and the Movimento d' Amore San Juan Diego is the Carmelo

05 August 2004 - 13.00 - Jesus to Conchiglia

[...] *Yes I have already said it:*

I desire « Holy Triads »

who will be of holy example on Earth in the daily life

for only in union with God

a holy family can be formed.

And as it has already been said...

a holy family is a precious cell of love

and many cells of love form the « new society ».

You say:

«But it is difficult.

Seems impossible.

Everything is already out of place.»
And I say to you:
« My Sons and Brethren everything is possible
if you truly believe in Me.
I Am God... do not forget that.
I only need your yes and your will
to persevere until then...
when you will see with your eyes the splendid results.
If you do not begin to take into consideration that which I Am saying
and if you do not begin the process of conversion...
I can not give you all the help and strength that you need.
You must ask and it will be given.
Say like this... with the conviction to have Me in front of you
Alive True and Present in front of every Tabernacle...

« I believe in You my God as I know that You love me.
You would never do me any harm because I am a part of You.
Therefore my God... I offer myself to You to do Your Will
and with a sincere heart I adhere to Your great Project of Love.
Yes my God... I wish to renew the vows of my baptism
and forever renounce satan.
I want to consecrate myself to You
through the hands of the Holy Mother Mary... who is the Mother.
I want to form a holy family
in imitation of the Holy Family to give You honour and glory
since the Renewed Earth will be formed only by Holy Families.
I want to let others brethren know
this great Project of Love
so that this Gift that you have given me to know
is not hidden from the World
and can produce more fruits of love.
I wish oh my God to listen to You
and to be part of the healthy and honest and Holy Catholic and Apostolic Church
and I wish to join the Virgin Mary
to say with Her... for Her... and in Her:
Here I am my God... let Your Will be done upon me. »
There Conchiglia...
I... Jesus... who from the Trinity is speaking to you
have given to the world a New Consecration
a Holy and Blessed Consecration that will bring abundant fruit
and I desire that it be called:
The Consecration of The Third Millenium given to Conchiglia.
I bless you
in the Name of the Father
of the Mother
of the Son
and of the Holy Spirit.
Amen.”
