Mio marito ha una relazione con una donna da 11 anni. A lui non importa di me. Da più di 8 anni, soffro di diabete, pressione alta, protineuria renale, obesità e malattie del fegato. Prendo medicine ogni giorno. Vi chiedo per cortesia di pregate per la guarigione delle mie malattie e vi prego, pregate perché io possa ottenere una Benedizione anche per le esigenze economiche. The prayer of the Holy Rosary

of Conchiglia and brother and sister of the Movimento d'Amore San Juan Diego
to Holy Mary, Our Lady of Guadalupe for:

Renuka - Sri Lanka

*Mary Most Holy, Our Lady of Guadalupe,
like a daughter I ask you the Grace to fulfill the holy request of Renuka and their family,
so all together can get the spiritual and material consolation they need.
I join your other sons and my brothers and sisters of the Movimento d'Amore San Juan Diego
to plead with love to intercede before your Son Jesus, so that the Grace that He will grant should be
an example to many brothers, so that they will always get the strength to fight and hope
to the Glory of God the Father.
Mary Most Holy, Our Lady of Guadalupe,
together with Jesus, may You bless Renuka, their children, and all his family
and I, Conchiglia and my brothers and sisters of the Movimento d'Amore San Juan Diego
unite ourselves humbly to Your Blessing
in the Name of the Father 
of the Mother 
of the Son 
and the Holy Spirit. 
Amen.*
