Subject: Prayer request

Dear Conchiglia,
Dear brethren of Movimento d'Amore San Juan Diego,
Dear Tulips of Mary, Our Lady of Guadalupe,

the law in Colombia,
is trying to convert the land owned by me into nature conservation.
I do respect the land, and its inhabitants very much, and plant trees
and allow God to work His way in nature by planting more trees
and radically avoiding poisons on toxic substances on these lands;
but if these properties are converted into nature conservation,
I will not be able to grow food, or have animals or even sell the properties,
for they will be worth nothing in the eyes of men.
These properties were bought with my inheritance from my father
and bought thinking to have sustenance in my old age and to teach young people
to care for the land while respectfully drawing sustenance and obtaining profit from God's creation.
I believe this is very important to teach others to respect the Creation of the Creator.
I ask for prayers, so that the Divine Will will allow me to work these properties
while being respectful of nature and while teaching people to be respectful as well -
at the same time I teach agriculture without poisons and no tilling.

Million de gracias and blessings for your assistance and help with prayers.
Million blessings to Conchiglia - always, and to all her staff and support,

Leonor D.

Signed letter.

The prayer of the Holy Rosary

of Conchiglia and brother and sister of the Movimento d'Amore San Juan Diego
to Holy Mary, Our Lady of Guadalupe for:

Leonor D. - Colombia

*Mary Most Holy, Our Lady of Guadalupe,
like a daughter I ask you the Grace to fulfill the holy request of Leonor, so he can get all the spiritual
consolation he needs, in this hard time, and she can maintain his rights, respecting the Creation.
I join your other sons and my brothers and sisters of the Movimento d'Amore San Juan Diego
to plead with love to intercede before your Son Jesus, so that the Grace that He will grant should be
an example to many brothers, so that they will always get the strength to fight and hope
to the Glory of God the Father.*

*Mary Most Holy, Our Lady of Guadalupe,
together with Jesus, may You bless Leonor and his family
and I, Conchiglia and my brothers and sisters of the Movimento d'Amore San Juan Diego in Italy
and in the World, unite ourselves humbly to Your Blessing*

in the Name of the Father 

of the Mother 

of the Son 

and the Holy Spirit. 

Amen.

The brothers and sisters of the Movimento d'Amore San Juan Diego

and... Conchiglia
